

Privacy Policy for AiMySpeed

Last Updated: January 17, 2026

Introduction

Chedio ("we", "our", or "us") operates the AiMySpeed mobile application (the "App"). This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you use our App.

By using AiMySpeed, you agree to the collection and use of information in accordance with this policy. If you do not agree with the terms of this privacy policy, please do not use the App.

Information We Collect

Location Data

AiMySpeed collects precise location data to provide its core functionality:

- **Real-time GPS coordinates:** Used for speed tracking and speed alert monitoring
- **Location history:** Stored locally on your device for the journey history feature

Purpose: Location data is essential for calculating your current speed, detecting speed threshold violations, and providing AI-powered insights about places you visit.

Usage Data

We may collect information about how you interact with the App:

- Speed threshold settings
- Alert preferences
- App settings and preferences
- Feature usage statistics

Firestore Data

If you choose to participate in the global leaderboard feature:

- Maximum speed achieved
- Anonymous device identifier
- No personally identifiable information is stored on Firebase

How We Use Your Information

We use the collected information for the following purposes:

1. **Speed Tracking:** To calculate and display your current speed in real-time
2. **Speed Alerts:** To notify you when exceeding your configured speed threshold
3. **Journey History:** To maintain a local record of speed violations with timestamps and locations
4. **AI Insights:** To generate location-based insights about places you pass through using Google Gemini AI
5. **App Functionality:** To provide customizable settings, multi-language support, and theme preferences
6. **Real-Time Speed Watch:** See the maximum speed among users who are tracking at the same time. Just for fun - wonder who or what is going that fast!

Third-Party Services

AiMySpeed uses the following third-party services that may collect information:

Google Gemini AI

- **Purpose:** Generates AI-powered insights about locations
- **Data Shared:** GPS coordinates and location names only when AI Insights feature is enabled

- **Privacy Policy:** [Google AI Privacy Policy](#)

Firestore (Google)

- **Purpose:** Cloud database for global leaderboard
- **Data Shared:** Maximum speed and anonymous device identifier
- **Privacy Policy:** [Firestore Privacy Policy](#)

Google Mobile Ads (AdMob)

- **Purpose:** Display advertisements within the app
- **Data Collected:** Advertising ID, device information, and usage data
- **Privacy Policy:** [AdMob Privacy Policy](#)

Google Maps Platform

- **Purpose:** Display locations on map and route visualization
- **Privacy Policy:** [Google Maps Privacy Policy](#)

Data Storage and Security

Local Storage

- All location data and journey history are stored locally on your device
- Data is stored using SQLite database with secure storage practices
- You can delete all data at any time through the App settings

Cloud Storage

- Only anonymous maximum speed data is stored on Firebase only when you are using the app and checking speed. When app closed data will be removed from cloud.
- No personally identifiable information is transmitted to our servers

Security Measures

We implement industry-standard security measures to protect your data:

- Encrypted communication with third-party services
- Secure API key storage using platform-specific secure storage
- No collection of personal information (name, email, phone number)
- No user accounts required

Your Privacy Choices

You have control over your data:

Location Permissions

- You can revoke location permissions at any time through device settings
- The app will not function without location access as it's essential for speed tracking

AI Insights

- AI Insights feature can be disabled in App settings
- When disabled, no location data is sent to Google Gemini

Data Deletion

- Clear all journey history through App settings → Data Management → Clear All Journey Data
- Uninstalling the app removes all locally stored data

Advertising

- You can reset your advertising ID through device settings
- Opt out of personalized ads through device settings (Android/iOS)

Children's Privacy

AiMySpeed is not intended for use by children under the age of 13. We do not knowingly collect personal information from children under 13. If you are a parent or guardian and believe your child has provided us with personal information, please contact us.

Location Data and Battery Usage

Important Notice: Continuous use of GPS running in the background can dramatically decrease battery life while app in use.

Data Retention

- **Local Data:** Retained on your device until you delete it or uninstall the app
- **Firestore Data:** Anonymous speed records are removed when app is closed.
- **Third-Party Data:** Subject to their respective privacy policies

Your Rights

Depending on your location, you may have the following rights:

- **Access:** Request information about data we collect
- **Correction:** Request correction of inaccurate data
- **Deletion:** Request deletion of your data
- **Objection:** Object to processing of your data
- **Portability:** Request transfer of your data

International Data Transfers

Your information may be transferred to and processed in countries other than your country of residence, including the United States where Google's servers are located. These countries may have data protection laws different from your country.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. We will notify you of any changes by:

- Posting the new Privacy Policy in the App
- Updating the "Last Updated" date at the top of this policy
- Showing an in-app notification for material changes

Continued use of the App after changes constitutes acceptance of the updated policy.

GDPR Compliance (European Users)

If you are in the European Economic Area (EEA), you have additional rights under GDPR:

- **Legal Basis:** We process location data based on your consent and for legitimate interests
- **Data Controller:** Chedio is the data controller
- **Right to Withdraw Consent:** You can withdraw consent at any time

- **Right to Lodge Complaint:** You can file a complaint with your local data protection authority

CCPA Compliance (California Users)

If you are a California resident, you have rights under CCPA:

- We do not sell your personal information
- You have the right to know what information is collected
- You have the right to request deletion of your information

Consent

By using AiMySpeed, you consent to this Privacy Policy and agree to its terms.

Note: This privacy policy is designed to be transparent about our data practices. We are committed to protecting your privacy and only collect data necessary for the app's functionality.
